Adams-Friendship Area School District

Street Address	201 W. 6th Street Friendship, WI 53934	Contact Name	Carol Jefferson
Mailing Address	201 W. 6th Street Friendship, WI 53934	Phone	(608)339-3213 x210
Profile	The Adams-Friendship Area School District boasts of strong academic and co-curricular programs. Our district has a proud tradition of Preparing Students to Perform for Life. Throughout the area, state, and country you will find graduates of the Adams-Friendship Area School District who are successful in their chosen career area and are contributing citizens as well.		

The school district has three (3) elementary schools, one (1) middle school, and one (1) high school to serve residents of the area. There are educational programs designed to meet the individual needs of all students including those in talented and gifted programs as well as those who may have an exceptional education need.

Our students benefit from small teacher to student ratios as well as the individual attention that is realized in a small, safe school district. The South Central Instructional Network Group (SCING), of which the Adams-Friendship Area School District was a founding member, provides an opportunity for advanced and expanded coursework over a distance-learning network.

Students of the Adams-Friendship Area School District compete at the local, regional, state and national levels in a number of activities. Just a few examples of these activities would include: athletics, forensics, Future Farmers of America, Health Occupations Students of America, Student Council, Knowledge Master, Future Business Leaders of America, and Distributive Education Club of America. The district recently had a National Merit Scholarship Winner, state championship dance team, state championship Spanish Forensics Team, and qualifiers for competition at the national level in the areas of HOSA and DECA.

Quality education of this kind does not occur without strong community support. The district completed a \$15 million dollar building project that resulted in a new High School and remodeled facilities throughout the area.

Education Job Postings from www.wisconsin.gov

Profile The School District of Monroe is a K-12 student-centered school system dedicated to providing each child with a broad array of academic and cocurricular programs that will prepare him or her to succeed academically, technologically, physically and socially.

The district serves more than 2,677 elementary, middle and high school students. Classroom sizes average 20 students per teacher. A teaching staff of 271 and 196 administrative and support personnel are dedicated to creating a climate of high expectations for all students and ensuring academic excellence in all subject areas. The underlying goal of every class is to provide each student with the opportunity to achieve his or her potential through a superior education, continually preparing them for the next step in their academic lives.

Our curriculum is broad-based, reflecting an interest in the academic, social, emotional, artistic and physical development of each student. The district views education as an experience best served by the coordinated efforts of parents and schools.

The School District of Monroe encompasses three elementary schools, one middle school, one high school, an alternative charter school serving grades 9-12, and an independent virtual charter school. Included within these schools are a state-of-the-art performing arts center, an auditorium, a greenhouse, seven gymnasiums, a 400-meter eight-lane track, a football field, tennis courts, a baseball field, and several playgrounds. THE SCHOOL DISTRICT OF MONROE IS AN EQUAL OPPORTUNITY EMPLOYER.

WCATY - WI Center for Academically Talented Youth

Street Address	433 W. Washington Ave. Madison, WI 53703	Contact Name	Carole Trone
		Phone	(608)271-1617 x110
Mailing Address	433 W. Washington Ave. Madison, WI 53703	Email	cjtrone@wisc.edu

Profile Wisconsin Center for Academically Talented Youth (WCATY) is part of the University of Wisconsin-Madison Education Outreach and Partnerships. Its mission is to nurture Wisconsin's most academically talented students by providing and encouraging programs that support, motivate, and challenge them. For more information, please visit our website at www.wcaty.org.

WCATY is an accredited organization through the NCA-CASI. In addition to these, WCATY is the Wisconsin affiliate for the Northwestern University Midwest Academic Talent Search (NUMATS).

Online Instructor

Date Posted 05/03/10

Education Job Postings from www.wisconsin.gov

Description	<p>Interested in working with eager junior high students to explore out-of-the-box topics like humor, astronomy, medicine, game theory, the FBI, chemistry, oceanography, myth busters, the Amazon, zoology, extinction, play writing and more?</p> <p>WCATYs Online Academy (www.academy.wcatyweb.org) is currently recruiting master teachers and content experts to develop and instruct our new line-up for the 2010-2011 school year. Our online courses bring gifted students from different Wisconsin schools and districts together to learn through a mix of online and in-person sessions. Class sizes average 20 students who are currently in grades 5-6 or 7-8 and who have been identified by the school as demonstrating high ability and deep passion for the subject area.</p> <p>Through our program, you will design a nine-week, thematic, project-based, online course which will act as a Language Arts replacement class for high level, accelerated learners. Instructors are responsible for developing three face-to-face workshops, guiding online learning through the nine-week course, and providing assessments for the schools. The daily instructional schedule is flexible. Instructors are expected to respond to students online for at least one hour each day with additional time spent each week evaluating student work. The workshops are held from 9am to 1pm at locations throughout Wisconsin. The face-to-face scheduling is flexible and typically located at a school district no farther than an hour from an instructors home.</p> <p>Instructors and Content Specialists earn an honorarium which ranges from \$1,000 to \$2,500 for each course, depending on the size of the class. We run three sessions a year and often place instructors in multiple locations each session, depending on the amount of desired work.</p>
How To Apply	<p>Apply by sending Rebecca Vonesh (vonesh@wisc.edu) a current resume and a brief explanation of a course idea you would be qualified to develop.</p>
Requirements Qualifications	<p>Instructors are required to hold a Wisconsin Teaching Certificate and have teaching experience, preferably with gifted populations. Content Specialists should be working on a graduate degree, but may not have teaching experience. Content Specialists are paired with an experienced teacher to team teach. Content Specialists and Instructors must complete the Online Certification Program, both the online and workshop portions.</p> <p>As online teaching is a new environment, we require all instructors to complete our Online Certification Course, The Art of Online Curriculum Design. This hybrid course guides you through the process of designing a syllabus, building an online course, and instructing your first class. Though most content is covered online, new instructors are required to attend a two-day training session during the summer. Typically this program costs \$600 for those not teaching for WCATY. New instructors are asked to invest by placing a \$200 down payment at the beginning of the course, which is paid back as your syllabus is completed and the online course is designed. For more information, visit our website - www.wcaty.org.</p>
